Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner called Applicant's representative to indicate that, the latest Notice of Allowance which was mailed out on, 18 May 2005, there is a minor problem which can be resolved by an Examiner's amendment, in that, on claim 17, line 3, the usage of, "for", after, "memory", brings about intended use, and if, "for", can be deleted, claim language would be better addressed. Applicant's representative agreed upon to such changes, an Examiner's amendment indicative of such change along with a notice of allowance will be mailed out. .
